6SPOT RGBW

Adding eye-popping spot and effect lighting to any stage or dance floor is easy and convenient with 6Spot RGBW, a complete Pack-N-Go lighting solution fitted with high-intensity quad-color (RGBW) LEDs. Achieve total room or stage coverage with 6 individually adjustable heads all on one bar for easiest setup and teardown. A convenient carrying bag is included. 6Spot RGBW mounts to most tripods or speaker stands, without the need for additional clamps, using the pass-through hole, but L-brackets are included for multiple mounting options including for floor or truss mounting. Wireless control is possible when using the optional IRC-6 remote control. Other convenient control options include built-in automated programs and sound-activated programs that dance to the beat of the music.

HIGHLIGHTS
