

Freedom Par Q12

When your event calls for bright, punchy, battery-operated uplighting, reach for Freedom Par Q12. Add perfectly blended color to any room like an event boss with this fully wireless quad-color uplight. Enjoy flexible control with both built-in D-Fi and a built-in RF receiver. Place inside sticks of TRUSST® for instant truss warming looks. With an easy-to-read full-text OLED display that lets you pick the right dimming curve for your light show—keep your uplighting going all event long!
