

Intimidator Spot 360QD

Bring events to life with Intimidator Spot 360QD, the first CHAUVET DJ moving head with RGBL color technology. Its RGBL light engine delivers a wide color range, increased CRI, and crystal-clear optics, giving DJs, bands, and event professionals more creative freedom for any occasion.

Dual rotating prisms create bold, room-filling effects, while motorized focus keeps gobos sharp from nearly any distance. Totem Mode keeps the action focused on the dance floor, and built-in wireless control makes setup easier with fewer cables. A lightweight carbon-fiber composite housing simplifies transportation and handling. MET certified for permanent installations, Intimidator Spot 360QD delivers elevated color, creative flexibility, and reliable performance for mobile events and entertainment venues.

HIGHLIGHTS
